

Gisborne Primary School Vision and Values

Gisborne Primary School vision is to develop respectful, resilient, responsible and inquiring students who are inclusive, caring community members that embrace diversity. All students are empowered to learn and achieve their personal best, experiencing high quality teaching practice and the best conditions for learning which equip them with the knowledge, skills and dispositions to be lifelong learners. We value family input into their child's education and encourage a positive and open home/school partnership.

We aim to support students to:

- develop a love of learning
- build and demonstrate positive relationships
- demonstrate the school ethos of 'Caring'
- develop the use of their imagination and creative self-expression
- understand the important elements of physical and mental health and wellbeing
- build self-confidence, a sense of worth and respect and consideration for others
- embrace a set of personal and social values
- cultivate decision making and problem solving skills
- develop the ability to think reflectively, critically and creatively

Our values:

Caring - We display kindness and concern for others.

Respect - We treat everyone in a considerate and courteous manner.

Resilience - We can recover quickly from difficulties.

Responsibility - We make good choices and can be trusted to do the right thing at all times.

Personal Best - We work hard and strive to achieve our best in everything we do.

Our motto:

Through collaboration with the school community, Gisborne Primary School has developed a motto to represent our school values and beliefs.

Caring Hearts, Caring Minds, Caring Actions
